Where they can go

We welcome dogs to Apley Farm Shop, in the following areas:

1. in our car park on leads
2. in our courtyard on leads
3. on our Skylark Nature Trail on leads
4. in our Dog Park (secure field which can be booked for your exclusive use) OFF leads

Where they cannot go

We're sorry that we cannot accept dogs (other than guide dogs) into Scotty's Animal Park, Pigg's Playbarn, our Creamery Cafe & Food Hall, due to the presence of animals, children & food in these departments.

Bag it, bin it

ALL dog excrement must be picked up in bags & put into our bins or taken home. We will have to close the nature trail to dogs if we continue to find dog excrement there.

Water

We have water bowls in the courtyard & a tap in the car park from which you can fill your own water bowls.
